CARE PLUS SHOWER MIXER STANDARD HANDLE H/C

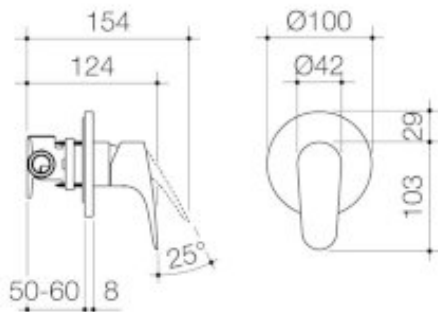

The Care Plus Mixer range is ideal for commercial care requirements, with the versatility of adaptable standard and extended lever care handles, in hot/cold or warm/cold combinations; and increased indicator size across all handle options. The range features laminar flow as standard for added infection control against legionella and bacteria in hospitals and aged care facilities.

- 35mm adjustable cartridge for added temperature and flow control
- Large colour red and blue indicators make the range an ideal solution for aged care applications
- Standard handle with H/C (red and blue) indicators and Care handle with H/C (red and blue) or W/C (yellow and blue) indicators available as adaptable option
- Chrome finish
